Plenipotentiary of the Republic of Belarus to Japan

Topics to discuss:

- *Japanese economic principle described in ancient wisdom: "Blossom of the state is in people, but so as the decline."*
- *Overview of problems which foreign investors are facing.*
- *What could the Japanese companies offer to facilitate entry into Belarusian market?*
- *Scientific research in innovative medicines: staff exchange and sharing experiences in various sectors of industry.*
- *What are further steps of collaboration between the two countries? What industries are worth paying attention to in the first place?*
- *Interaction with foreign investors in terms of exports and import-substitution import growing.*
- *"Mogilev" FEZ as a prospective site for investment projects involving Japanese capital.*
