## Statement of Management's Responsibility

The Management of State Institution "National Agency of Investment and Privatization" (hereinafter – the Company) is responsible for preparing the financial statements of the Project "Assistance to Privatization" (hereinafter –the financial statements of the Project). The financial statements on pages 7 to 12 represent fairly information on uses of funds of the Project "Assistance to Privatization" for the period from 1 January 2018 through 31 December 2018.

The Management of the Company confirms that appropriate accounting policies have been used and applied consistently. Reasonable and prudent judgments and estimates have been made in the preparation of the financial statements of the Project.

The Management of the Company is responsible for keeping proper accounting records, for detecting and preventing fraud and errors, as well as for designing, implementing and maintaining effective and reliable internal controls.

## Independent Auditor's Report

### Auditor's Opinion

We have audited the financial statements of the Project "Assistance to Privatization" (hereinafter –the financial statements of the Project) financed by International Bank for Reconstruction and Development ("IBRD") under the Agreement as of 21 December 2010 signed between the Republic of Belarus and IBRD ("the Agreement") for the period from 1 January 2018 through 31 December 2018.

The financial statements of the Project comprise the following statements:

- Statement of Sources and Use of Funds;
- Statement of Use of Funds by Types of Project's Activities;
- Statement of Withdrawal;
- Statement of Designated Accounts;
- Statement of Transit Accounts.

In our opinion, the financial statements present fairly receipts and disbursements of the Project funds as of 31 December 2018 as well as use of the Project funds for the period from 1 January 2018 through 31 December 2018 in compliance with IPSAS and IBRD principles.

The attracted funds have been used according to requirements of terms and provisions of the Agreement, financial arrangements, with due consideration to profitability and efficiency, and only for the purposes for which the financing has been provided.

Recording and storage of necessary supporting documents, accounting data and accounts on all the Project transactions, including those relating to the expenses presented in the Statement of Withdrawal, are adequately implemented. There is an interrelation between the accounting data and financial statements which IBRD provide.

### **Basis for Auditor's Opinion**

We have conducted our audit in compliance with the requirements of International Standards on Auditing (ISA) and the corresponding guidance from the World Bank. Our responsibility in compliance with these standards is described below in paragraph "Auditor's Responsibility for the Audit of the Financial Statements" of the present report. We are independent of State Institution "National Agency of Investment and Privatization" in compliance with the requirements of the Code of Ethics for Professional Accountants of the International Ethics Standards Board for Accountants, and we have complied with our other ethical duties in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Restriction on Distribution and Use**

This report is intended solely for the use by State Institution "National Agency of Investment and Privatization" for presenting information on the funds received and used upon the Project to IBRD. Consequently, these financial statements are not intended for other purposes. Our opinion has been prepared solely for IBRD and shall not be distributed or used by third parties.

### **Other Matters**

The financial statements of the Project for the year ended 31 December 2017 were audited by FBK-Bel LLC. An unmodified opinion No. 05-01/50 dated 20 April 2018 was issued in respect of those financial statements.

### **Statement of Management's Responsibilities**

The Management is responsible for the preparation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS) "Financial Reporting Under the Cash Basis of Accounting" prepared by the Public Sector Committee of International Federation of Accountants (IFAC) and the internal control of the Company as the Management determines as necessary to enable the preparation of the financial statements that are free from material misstatement or errors. The financial statements on pages 7 – 12 have been presented in accordance with the terms of the Agreement.

### **Auditor's Responsibility**

Our goal is to obtain reasonable assurance that the financial statements are free from material misstatements, whether due to fraud or errors, and to issue auditor's report including our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that the audit conducted under International Standards on Auditing always discloses the material misstatement if any present. Misstatements may result from fraud or errors and are considered significant if it can reasonably be assumed that either individually or collectively they may affect the economic decisions of users made on the basis of the present financial statements.

Within the framework of our audit conducted under International Standards on Auditing, we apply professional judgment and maintain professional scepticism throughout the audit. In addition, we perform the following:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or errors; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud generally may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- obtain understanding of the internal control system relevant to the audit in order to develop audit procedures appropriate to the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control system;
- evaluate the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Management and related disclosures made in statements;
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures.
